

# How to add text to the Customizable Daily Docket

1

**Open the document** in a PDF reader such as Adobe Acrobat Reader. If you don't have Acrobat, you can download it for free at <http://get.adobe.com/reader/>.

The sections of the document highlighted in yellow in the image to the right can be customized with your own text. Your document won't be highlighted like the image; this graphic simply shows you the sections that are customizable.

2

**Click on the section** you'd like to fill in.

3

**Type in your text.**

4

**Print out the document** when you're done typing in your text.

5

**Save your document** if you'd like to save your changes. You'll be able to open the document again to add different text at any time.
