Variations

OUTDOOR LAUNDROMAT (FOR OLDER CHILDREN)

Hang the clothesline outside between two chairs or objects. Give your child a tub of water with a little soap in it and a tub with water for rinsing. Let your child "wash" the miniature clothes in the tub of soapy water, rinse in the second tub and then hang the clothes to dry.

CLOTHING PATTERNS

Cut out miniature clothing in four different colors or fabrics. Have your child hang them on the line in a pattern (e.g. two blues, two greens, two yellows, two purples, repeat).
